Dear Northern Families,

We need your help- Time is running out!

Every year Northern School Council supports student clubs, activities, and programs to enhance the student experience. We rely on parent contributions to support these activities. Despite the pandemic, many student activities and clubs are operating, and with normal student activity fees waived this year the students need your support more than ever!

Our Voluntary Contribution Campaign allows you to **support these great programs by giving \$25, \$50 or \$100, or whatever amount you can. Every gift makes a difference!** This year, our campaign will accept contributions until **February 12** through TDSB School Cash Online.
