MyBluePrint How to Videos:

The screenshot displays the 'Official High School Plan' interface. On the left is a dark sidebar with navigation links: Home, Who Am I, High School, Post-Secondary, Work, Money, Guides, and Favourites. The main content area is titled 'Plan Courses' and shows a table of course selections for Grades 9 through 12. A message at the top states 'Course Selection is now Closed'. The table has columns for each grade, with Grade 11 highlighted in blue. Courses listed include English, Principles of Mathematics, Science, Expressions of Aboriginal Arts, Healthy Active Living, Civics and Citizenship, Career Studies, Creative Arts for Enjoyment, Marketing, and Three credit Co-op. To the right of the table is a 'Graduation Indicator' section with progress bars for Planned (15), Earned (10), Required (25/30), and Total Credits (25). Below this is the 'SHSM Planner' section with 'Indicated Interest In' and 'Arts and Culture'. At the bottom of the screenshot is a video player interface showing a play button, a progress bar at 0:21, and icons for volume, settings, and full screen.
